CAST AND CREW (IN ORDER OF APPEARANCE)

DASHER (*Alicia Nordstrom*), Dasher a no nonsense reindeer who puts work and responsibility before anything as is evidenced by her years on the team and the fact that she is the lead reindeer. She is also CEO of the largest Christmas tree farm TreeMart. Dasher is currently having her daily cup of a skinny triple almond latte extra foam heavy on the chocolate shavings at the popular Hot Pole Coffee Bar on her way to the office.

CUPID (*Ilvin Nieves*), a fun-loving, up-for-anything gossip of a reindeer. He is the owner of the North Pole's most fashionable salon and spa, *Get Your Hair-Doe*, which also supplies him with material for his bi-monthly stand-up routine at the Laugh Your Tail Off Comedy Club.

HOLLYWOOD (*David Giordano*), formerly known as Prancer, is a self-proclaimed Hollywood mega star even though his resume only consists of the 1989 movie *Prancer*. He spends his days waiting tables at Regina's Feedbag Diner pitching his movie ideas to locals. He is currently doing an interview for a local cable access community happenings show on his upcoming HBO special.

BLITZEN (*Donna Vojtek*) is very passionate and articulate but easily swayed. She is a freelance protester. Using discrimination as her platform against the NFP (No Flying for Penguins), she was able to get pole funding for penguins to develop ways to get them flying, which was to date her most successful protest. She is currently working on legalizing catnip and staging to stage a reindeer fly-out on December 24th.

COMET (*Will Moore*), has recently completed rehab for a serious candy cane addiction (which he picked up in order to kick his frankincense huffing habit) and anger management courses. He works part-time as a short order cook at a relative's establishment, Regina's Feedbag Diner. After a long dinner shift, Comet takes a break out back.

DANCER (*Christine Skiro*), the 1990 Ms. North Pole runner-up, now the trophy wife to the VP of marketing for TreeMart has to work at least one day of hard labor on Christmas Eve in order fulfill one of the 732 clauses of her pre-nuptial agreement. A fervent lover of fine chocolate, she is currently finishing up her Hanukkah shopping.

DONNER (*Billy Joe Herbert*), this former herd deer and Rudolph's father is now a door-to-door encyclopedia salesdeer in-between Christmas runs. Donner is at the bar, where he is pretty much every other day.

VIXEN (*Kimmie Wrazien*), the 1984 winner of the Ms. North Pole pageant talent portion, after numerous failed attempts to become the first reindeer weather girl for Channel 87 became a professional party planner whose clientele includes Lindsay Lohan, Sean "P. Diddy" Combs, Tommy Lee & Pamela, Britney Spears, the Detroit Red Wings, the Montreal Canadiens, the New Jersey Devils, and David Hasselhoff. She is attending an undisclosed client's holiday party that, of course, she planned.
